

What is BUILDSTRONG?

BUILDSTRONG is a high impact ministry on Wednesday nights designed to minister to your entire family all together in one setting. It will equip each family member with the tools to build a **BUILDSTRONG** family each and every day.

When and where does BUILDSTRONG meet?

BUILDSTRONG meets on Wednesday nights @ Pawnee Assembly of God from June 9 - August 25th. It begins at 7:00pm.

What does BUILDSTRONG look like?

Each Wednesday night will be different.

- On the first Wednesday of the month, families will meet at PAG for an all hands on deck teaching time. Families will learn the importance of discipleship in the home. They will also be taught how to teach God's Word at home in a fun and challenging way.
- The second Wednesday night is about relationships. The church will be closed because nobody will be here. We encourage families to go out and have a wonderful family night in the park, at a movie or at home enjoying a nice dinner. We also think this is a wonderful opportunity for families to adopt a Senior or a young student who may not have a family attending church. This is a great way to mentor one another.
- The third Wednesday night teaches the importance of unity with other families. Family games, lots of food and plenty of laughter will be on the church grounds. We will get Willmar to fire up the PAG cooker for a good old fashion BBQ.
- On the last Wednesday night of the month, families will arrive at PAG to get their service assignment. Families will go out into the community together to mow lawns, paint houses, pick up trash, fix gutters and do other community projects. Families learn the importance of serving with hands on experience.

What can you expect?

If you are faithful to be a part of **BUILDSTRONG**, by the end of the summer your family will be equipped with a clear understanding of how to build a strong family unit for God, His way.
